

STOCK REPORTS.

Market Depressed by News of a Big English Bank Failure.

The Bank Statement Caused Slight Rallies.

Issue of \$3,947,650 in Reserve During the Week.

The failure of the English Bank of the River Plate was announced on London this morning.

East Tennessee first preferred broke 4 to 4 1/2, and Edison General Electric 3 to 4.

The gain to the local bank reserves, however, checked the declining tendency near the close.

The sales at the New York Stock Exchange were \$7,000 shares of listed stocks and 20,000 shares of other.

A director of the Ohio & Mississippi says there is no truth in the reports of a recovery of that property.

The late statement was favorable, showing an increase of \$3,947,650 in reserve, which brings the surplus up to \$18,450,000.

The comparative figures for the past two weeks are annexed:

NORAH ROONEY'S RAMPAGE. She terrorizes a tenement and leaps out of a window.

The men had hardly left the house when Norah began to cony a pan of water out of her second-floor window upon the devoted head of Mrs. Julia Brown.

Then she uttered a series of adjectives down upon Mrs. Ryan, the housekeeper, as she was scrubbing the hall floor on her knees.

When White ceased to arrest the old woman she leaped out of a rear window, falling twenty feet, breaking a leg in two places.

BIG FEET OF THE TURNERS. THE LEPPER IN A LAUNDRY. PAROLED JUST IN TIME.

10,000 German Athletes Come to Chin Hop Sing Will Not Be Disturbed by Health Officers.

A Great Torchlight Parade To-Night and Monster Procession Monday.

Williamsburg, the home of the Germans of Brooklyn, is gay with bunting to-day. A big triumphal arch of evergreen, surrounded and surrounded by flags of all descriptions.

The crowd gradually increased, and it became necessary for a policeman from the East Fifth street station, a half block away, to clear a passage way.

The report spread like wildfire on the east side that a Chinese leper was in the neighborhood, and people being in the neighborhood, in a portion of the basement of which Chin Hop Sing has his laundry, were almost panic-stricken that the man was still in his shop.

Chin Hop Sing already felt the effects of his discovery, and something of a run was made on the neighborhood, and he had hurriedly to the washing of his clothes.

He is, without a doubt, though his leprosy is not so advanced as that of the man who was the talk of the neighborhood for some time, he is willing to remain in his store and wash his clothes in the neighborhood.

It is very probable that Chin Hop Sing will be paroled in time, and his laundry will be allowed to remain in the neighborhood.
